

## Rap about Rebuilding the Wall

It's time to build but first destroy don't act crazy don't act annoyed with  
rebuild the wall we got the power save your energy for this really long  
hour do the task given make sure you listen have a lot of fun before you  
get done try not to hit your head or you'll be sittin up in bed cause we  
been to a lot of places seen a lot of faces lets share this moment before it  
gets stolen RtW has been through a lot before it dies from getting shot  
I've been at Key since 2006 doin all that I have sittin there bored all day  
every day doin all that math I got to pull it together if I'm gonna be there  
forever 'cause RtW is here I said RtW is here come on everybody you  
must not fear I said RtW is here come on everybody you must not fear  
this rap was about RtW now I guess you know see ya later I'll do yah a  
favor the I got to go
